ACCREDITATION

Antioch Bible Institute is registered with TICU and TICU is accredited by Theological Accreditation International (TAI).

TAI is a non-governmental accreditation, extended exclusively to private, Christian institutions upon inspection and approval of their programs, operations, and integrity.

TAI is one of the largest accreditation agencies world-wide and accredits Christian Universities, Theological Seminaries and Bible Schools in over 30 nations.

The purpose of accreditation is to:

- certify that an institution has met the established standards of excellence
- assist prospective students in identifying reputable institutions, which offer degree programs that will meet their needs and goals
- allow institutions to evaluate the acceptability of transfer credits into their own curricula programs

In the United States, accreditation of universities and seminaries is a voluntary process with accreditation granted by private, non-governmental agencies. Governmental agencies do not provide theological or ministry accreditation.

Government-recognized accreditation is not necessary for the religious vocations in which we are equipping our students and people working in ministry positions do not need a government-accredited degree.

We do not prepare our students for secular work or denominational service. We will seek to provide a sound theological standing from which our students may fulfill their divine purpose and calling.

Disclaimer

Disclaimer Statement

Our courses meet the requirements established by many private, independent, and professional associations. Various regionally or nationally accredited Christian Universities, colleges and seminaries throughout the United States may accept transfer students, credits and degrees from TICU.

Transferability of credits earned at Team Impact Christian University and transferred to another institution is at the discretion of the receiving institution.

All our Certificates, Diplomas and Degrees are issued from our USA campus in Baton Rouge, Louisiana, USA where we are registered. We are legally authorized to issue Certificates, Diplomas and Degrees by religious exemption in the state of Louisiana. All students outside of the USA are considered as online students of TICU and are registered at our Baton Rouge, USA campus as such. TICU have students from more than 30 nations and therefore cannot meet all the legal and/or accreditation requirements for each nation.

Therefore, we are not able to set up a physical presence in each nation except in Baton Rouge, Louisiana, USA.

We do not prepare our students for secular work or denominational service. We will seek to provide a sound theological standing from which our students may fulfill their divine purpose and calling. We are not responsible for any problems students may have with the higher education authorities in their own nations.
